LKH Lamps Sdn. Bhd., was incorporated in 1982 to manufacture Energy Saving Fluorescent Lamps. Our products are regularly exported to Middle East, Asia Pacific, America and Europe. We are also OEM supplier for a few world renowned lighting companies.

All our product conform to international quality standards including SIRIM, CE, KTL, KEMA, GS etc..

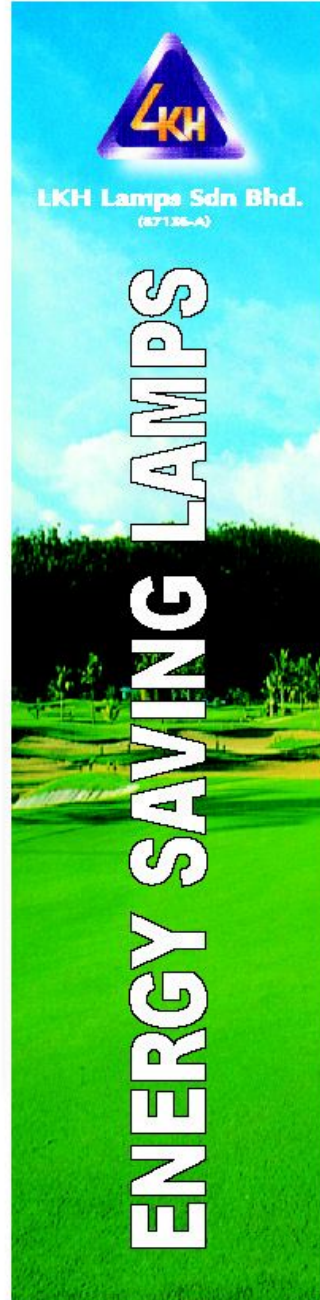

We aim to be innovative so as to keep abreast with the rapid changes in technology and global environment. In line with this principle, our proven energy saving products are made to last longer. This indirectly helps both our nation and the world become cleaner and less consumptive of energy in all sectors.
